Part 1 Scope and application

- (1.1) All Players registered to play cricket in any competition owned, operated and/or managed under the auspices of CNSW or its Affiliates are bound by and comply with all rules, regulations, constitutions and by-laws, codes of conduct, and policies of CNSW.
- (1.2) Players acknowledge that it is their personal responsibility to familiarise themselves with all of the requirements of the Code of Conduct, including what behaviour constitutes an offence under the Code of Conduct; including what behaviour, action or inaction constitutes an offence as set out in this document.
- (1.3) Players agree to submit to the exclusive jurisdiction of the CNSW Code of Conduct Commissioner, Judiciary Committee or other Hearing Tribunal convened under the Code of Conduct to hear and determine charges brought pursuant to the Code of Conduct.
- (1.4) For the avoidance of doubt, a reference to Match Referee has the definition as set out in Part 10 of this Procedure and where validly appointed has the same jurisdiction, power and responsibility as the CNSW Code of Conduct Commissioner.

Part 2 Spirit of Cricket

- (2.1) The Preamble to the Laws of Cricket sets out the Spirit of Cricket as follows:

CRICKET NSW

The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, Match Officials and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, team-mates, opponents and the authority of the umpires. Play hard and play fair.
Accept the umpire's decision.

Create a positive atmosphere by your own conduct, and encourage others to do likewise. Show self-discipline, even when things go against you.

Congratulate the opposition on their successes, and enjoy those of your own team. Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

Part 3 Code of Conduct Offences

- (3.1) The conduct described in Schedule A, Articles A.1 to A.21 will amount to an Offence under the Code of Conduct if committed by a person who is bound in accordance with the Cricket NSW By-Laws and/or who has otherwise agreed to be bound by the Code of Conduct.
- (3.2) Guidance notes have been provided in the text boxes beneath the description of a particular offence. Such notes are intended only to provide guidance as to the nature and examples of certain conduct that might be prohibited by a particular Article and should not be read as an exhaustive or limiting list of conduct prohibited by such Article.
- (3.3) For the purposes of the Code of Conduct, the phrase "during a Match" should be interpreted broadly to cover all conduct which takes place at the ground on the day of a Match, and not just conduct which takes place on the field of play. It will therefore include conduct which takes place off the field of play at the ground on the day of the Match, for example in the changing rooms, or during any of the intervals in the Match and will be deemed to have occurred "On Field" for the purposes of this Code of Conduct.
- (3.4) For the avoidance of doubt, in circumstances where a Person Reported is involved in an off-field incident which may warrant action under the CNSW Integrity Framework, the Commissioner will liaise with the CNSW Head of Integrity to determine what the most appropriate course of action against the Person Reported should be.

Part 4 Reporting

- (4.1) Any one of the following individuals can report an alleged offence under the Code of Conduct by lodging a report in the manner described in clause 5.2, below (a Report):
- (a) An Umpire;
 - (b) An Executive Officer or appointed official of either of the two Cricket Organisations whose representative teams participated in the Match during or in relation to which the alleged offence was committed;
 - (c) CNSW Chief Executive Officer (or his or her designee);
 - (d) An Executive Officer or appointed official who is from or affiliated with the Cricket Association to which the relevant Reported Person belongs.
- (4.2) All Reports must be completed on the CNSW Reporting Form as made available for this purpose by CNSW from time to time. All Reports must be signed and dated by the Person Reporting.
- (4.3) A Report may be withdrawn at any time before a hearing by the Person Reporting.

Part 5 Initial review and notification procedure and provisional action

- (5.1) The following will apply to the lodgement of all Reports:

Classification of Offence	Person Reporting	Reporting Deadline
Level 1	Umpire	Within 2 days from the day of match completion
Level 1	Any other person described at clause 4.1(b) to (d)	Within 48 hours of becoming aware of the Offence

CRICKET NSW

- (5.2) All Reports will go through an initial review by the Commissioner who will determine whether the Reported Person named in the Report has a case to answer in relation to the matters identified in the report and, if so, determine the type and/or level of offence is.
- (5.3) Commissioner may, in their absolute discretion, seek further evidence as part of the initial review including notifying the Person Reported.
- (5.4) If the Commissioner believes that there is no case to answer, they will notify the Competition Administrator and/or Head of Integrity as appropriate who will inform the Person Reporting of the decision and the reasons that such a determination has been made and that no action is to be taken against the Person Reported.

Notice of Charge

- (5.5) After the initial review is complete, the Commissioner will issue a Notice of Charge that will specify the Reported Person has the following options:
 - (a) they may admit the offence charged and accept the proposed sanctions specified in the Notice of Charge, provided that the admission is received by the Commissioner or the Head of Integrity (as the case may be) prior to the time specified for the hearing; or
 - (b) they may admit the offence charged and dispute the proposed sanction specified in the Notice of Charge, in which case the matter will proceed to a hearing in accordance with Part 6; or
 - (c) they may deny the offence charged, in which case the matter will proceed to a hearing in accordance with Part 6.
- (5.6) Non-compliance of the Person Reported to respond to the Notice of Charge, or attend any hearing, will not prevent the relevant decision-maker from proceeding with the hearing in their absence, provided that the decision-maker has made reasonable enquiries as to why there has been no response.

Provisional Action

- (5.7) When a Report is lodged in relation to any Level 3 or Level 4 offence the Head of Integrity may impose a provisional suspension on the Reported Person if the evidence available suggests there is a further or ongoing risk of harm that may be suffered by one or more persons involved in the sport of cricket.
- (5.8) Any provisional suspension imposed will remain in place pending the outcome of the disciplinary procedure, including the implementation of any sanction or appeal process.
- (5.9) There is no appeal against a decision of the Head of Integrity in relation to Provisional Action.
- (5.10) Where a provisional suspension is imposed, the Reported Person shall be entitled to an expedited hearing to be held as soon as practicable after the imposition of the suspension.

Part 6 Disciplinary procedure

- (6.1) A Reported Person cannot attempt to negotiate, bargain or otherwise seek to reduce the imposed sanction in relation to any alleged offence committed under this Code of Conduct.
- (6.2) Any Commissioner or Judiciary Committee will conduct any disciplinary procedure under these Code of Conduct Procedures with as little formality and technicality and as quickly as possible, subject to proper consideration of the Report being permitted.

CRICKET NSW

- (6.3) For any Level 1 Offence and Level 2 Offence that proceeds to a hearing, the case will be heard by the Commissioner.
- (6.4) The Commissioner may determine the procedure at the hearing in their absolute discretion, subject to ensuring that the Reported Person is provided a fair and reasonable opportunity to present their case.
- (6.5) For any Level 3 Offence and Level 4 Offence or a Level 2 offence under A.12, A.15 and A.21 that proceeds to a hearing, the case will be heard by the CNSW Judiciary Committee.
- (6.6) The Judiciary Committee may determine the procedure at the hearing in their absolute discretion, subject to ensuring that the Reported Person is provided a fair and reasonable opportunity to present their case.

Part 7 Standard of Proof and evidence

- (7.1) Unless otherwise described herein, the standard of proof in all cases brought under the CNSW Code of Conduct is whether the Commissioner and/or the Judiciary Committee is comfortably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed.
- (7.2) The Commissioner and/or the Judiciary Committee will not be bound by the rules of evidence. Instead, facts relating to an offence allegedly committed under the Code of Conduct may be established by any reliable means, including admissions.
- (7.3) The Commissioner and/or the Judiciary Committee may draw an adverse inference against the Reported Person based on their refusal, without extenuating circumstances, to appear at the hearing and/or to answer any relevant questions.

Part 8 Sanctions on Reported Persons

- (8.1) Where a Commissioner or Judiciary Committee determines that an offence under the Code of Conduct has been committed, they must impose a sanction on the Reported Person.
- (8.2) Sanctions will be imposed using the prescribed penalties set out at Schedule B.
- (8.3) In determining the sanction, the Commissioner must first consider whether the Reported Person has previously been found guilty of any offences at the same Level (but not necessarily under the same Article) of the Code of Conduct (or any predecessor regulations that may have applied) within a period of three years prior to the date on which the proven offence took place.
- (8.4) Other than the consideration at clause 8.3, the Commissioner or Judiciary may take into account any other factors that they deem relevant and appropriate to the mitigation or aggravation of the nature of the Offence before determining, in accordance with Schedule B, the appropriate sanction(s). Those factors may include:
 - (a) The seriousness of the breach;
 - (b) The harm caused by the breach to the interests of cricket;
 - (c) The Person Reported's seniority and standing in the game;
 - (d) Any remorse shown by the Reported Person and the prospect of further breaches;
 - (e) The prior record of the Reported Person in abiding by this Code of Conduct.

CRICKET NSW

- (8.5) For the purpose of determining suspension periods for a Reported Person, the interpretative provisions regarding Suspended Players as set out in the CNSW By-laws will apply.
- (8.6) During any period of suspension, the Reported Person must not play, coach or otherwise participate or be involved in any capacity in any Matches which take place during the suspension period.

Note: For the avoidance of any doubt, the Reported Person must not be nominated as, or carry out any of the duties or responsibilities of, a substitute fielder; or enter any part of the playing area (which includes the field of play and the area between the boundary and perimeter boards) at any time, including during any scheduled or unscheduled breaks in play.

- (8.7) For the avoidance of doubt:
- (a) the Commissioner or any Judiciary Committee has no jurisdiction to adjust, reverse or amend the results of any Match;
 - (b) where a Reported Person is found guilty of committing two separate Code of Conduct offences that do not relate to the same incident or set of circumstances arising during a Match and is sanctioned separately for each offence, then any sanctions should run cumulatively (and not concurrently);
 - (c) where a Reported Person is found guilty of committing two Code of Conduct offences in relation to the same incident or set of circumstances arising during a Match and sanctioned separately, then any sanctions imposed should run concurrently (and not cumulatively);
 - (d) where the Commissioner or a Judiciary Committee finds a Reported Person not guilty of the offence allegedly committed under the Code of Conduct, it remains open to them, in their absolute discretion, to find the Reported Person guilty of an offence of a lower level than that with which they have been charged.
- (8.8) Subject to this Part and Schedule B, a prescribed sanction or part thereof may be deferred at the discretion of the Commissioner, Match Referee or Judiciary Committee.

Part 9 Appeals

General matters relating to appeals

- (9.1) Subject to clause 9.4, an appeal can be lodged by:
- (a) The Person Reported; or
 - (b) The Person Reporting; or
 - (c) In the case of decision of Level 2 offence under A.12, A.15 and A.21 ("Off-Field" only) Offences, a Level 3 Offence or a Level 4 Offence, the CNSW Chief Executive Officer.
- (9.2) There is no right of appeal against:
- (a) any Commissioner decision to take no action under clause 5.4 hereof or clause 6.4(b)(i) of the CNSW By-laws;
 - (b) any Commissioner decision to refer a matter to a Judiciary Committee or the Head of Integrity for determination of procedure, or for hearing; or
 - (c) the decision of a Person Reported to admit the offence charged and accept the proposed sanction.

(9.3) The following will apply to all Appeals:

Level of Offence*	Time to lodge Appeal	Appeal heard by
Level 1	Within 48 hours of notification of the original decision	Head of Integrity
Level 2		Judiciary Committee
Level 3	Within 7 days of notification of the original decision	Judiciary Committee
Level 4		
Off-field (any level)	Within 7 days of notification of the original decision	National Sports Tribunal or CNSW Appeals Board

***Note:** For the avoidance of doubt, the right of appeal will be determined by reference to the level of offence which the decision of the Commissioner or the Judiciary Committee (as applicable) relates to, and not the level of offence originally reported. In circumstances where the application of clause 9.3 would lead to the same level of adjudicator hearing the appeal as heard the first instance case, then the relevant adjudicatory body will be the higher body.

- (9.4) For all appeals lodged, the original decision remains in effect throughout the duration of the appeal process until a decision is made by the relevant appeals decision-maker.
- (9.5) All appeals against a first time Level 1 Offence will be heard by the Head of Integrity on the papers and the sole ground of appeal will be a failure of the Commissioner to follow the procedures in this document and that such failure has caused a denial of procedural fairness to occur.
- (9.6) All appeals from Off-Field Offences at any level will be referred to the National Sports Tribunal unless the circumstances require that the matter be referred to the CNSW Appeals Tribunal.
- (9.7) Except as provided by clauses 9.5 and 9.6, all other appeals will be heard by a Judiciary Committee in such manner as the Committee deems necessary and appropriate in the circumstances in its absolute discretion, including whether the matter will be heard by way of a hearing de novo (i.e. they hear the matter over again, from the beginning without being bound in any way by the decision being appealed) or to proceed only on a consideration of whether the original decision was erroneous.
- Note:** For the avoidance of doubt, this clause applies to decisions relating to a second or subsequent Level 1 Offence, and all Level 2, Level 3 and Level 4 Offences that occur 'in the field of play'.
- (9.8) If the matter is heard by the CNSW Appeals Tribunal, that Tribunal will have the power to order some or all of the costs of the appeal proceedings (including the costs of holding the hearing, the legal and/or travel/accommodation costs of the Commissioner and/or any other relevant parties,) to be paid by the appealing party if the Tribunal considers that such party has acted spuriously, frivolously, without reasonable cause or otherwise in bad faith.
- (9.9) There will be no further appeal rights available.
